

# TUM Venture Labs

An Introduction

Being an entrepreneur sounds cool

“We are a committed team but do not have a concrete idea”

I'd like to work on my own idea

My research could be commercialized

## The TUM Venture Labs

The TUM Venture Labs foster entrepreneurship in the major technology-driven opportunity fields of our times.

## Offerings of VL ChemSPACE

**Network**  
to industry &  
chemistry-related  
startups

**Infrastructure**  
(office space,  
laboratories incl.  
orderings, soft- &  
hardware)

Monthly individual &  
domain-specific  
**coaching**

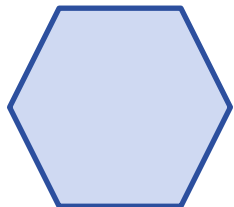

Facilitated access/  
assistance with  
application to  
**incubation &  
support  
programs**

Regular  
**mailing**  
with information to  
competitions, events  
& deadlines

## Faces of VL ChemSPACE

### Core Team

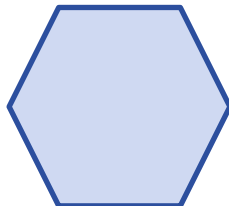

**Hannah Augenstein**  
Project Manager

**Sarah Jessl**  
Managing Director

**Franziska Mandl**  
Laboratory Manager

**Florian Zimmermann**  
Student Assistant

**Otto Teuscher**  
Student Assistant

**Prof. Stephan Sieber**  
Academic Director

**Prof. Jennifer Rupp**  
Academic Director

### Extended Team

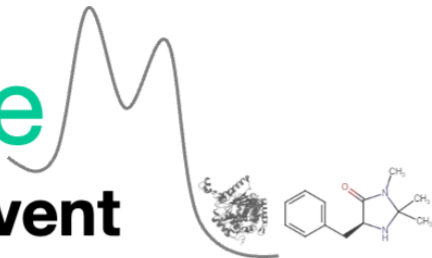

**Florian Jäger**  
TUM Start-up  
Consultant

**Stefan Drüssler**  
COO UTUM &  
Venture Director

# Catalyze

## Innovation Event

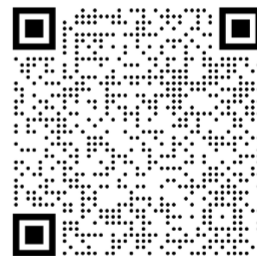

Learn about  
innovations in  
chemistry

Share  
innovative  
ideas with  
like-minded  
people

**May 23rd:**  
"Batteries -  
hype or  
hope"

**June 26th:**  
"Sensing -  
navigation on  
a molecular  
level"
