Learning goals

- Breaking the entrepreneurial stereotype
- Reflecting upon your personal innovative skillset with the help of the Entrepreneurship Competence Wheel
- Understanding how your skills contribute to a team and defining your entrepreneurial superpowers

The entrepreneur

**What comes to mind when
you think about an entrepreneur?**

The “Entrepreneur” stereotype

This is what the media says ...

**Here are 15 characteristics
you must improve to become
a successful entrepreneur!**

1. Creativity
2. Passion
3. Motivation
4. Product or service knowledge
5. Ability to network
6. Self-confidence
7. Optimism
8. Vision
9. Goal mindset
10. Risk-taking

MY INNOVATIVE SKILLS

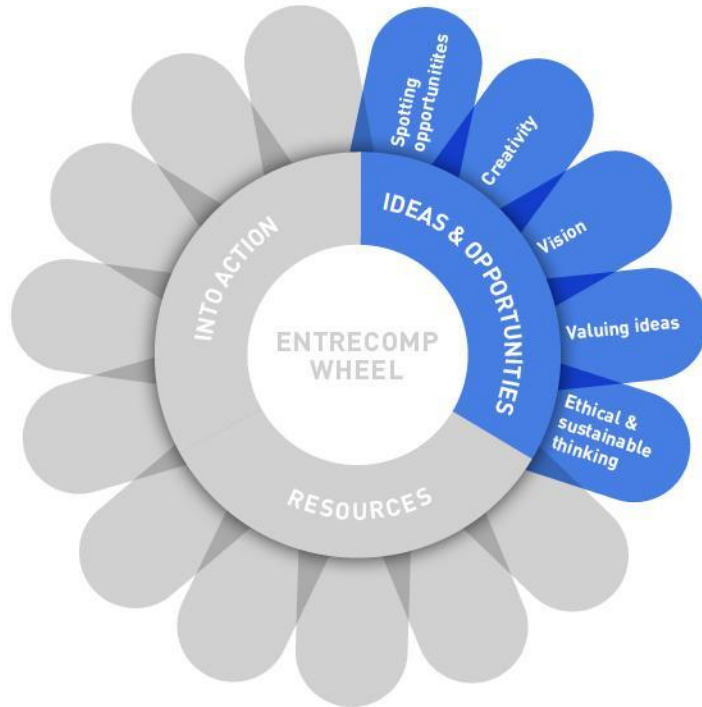

Skillset: EntreComp Wheel

- Tool to reflect on your personal development of entrepreneurial skills
- Developed by the Joint Research Centre (JRC) of the European Commission
- Made up of three competence areas: Ideas & Opportunities, Resources, Into Action
- Each area includes 5 competences

Ideas & Opportunities

Which ideas & opportunities can you see and develop?

Competence

Hint

Spotting Opportunities

use your imagination and abilities to identify opportunities for creating value

Creativity

develop creative and purposeful ideas

Vision

work towards your vision of the future

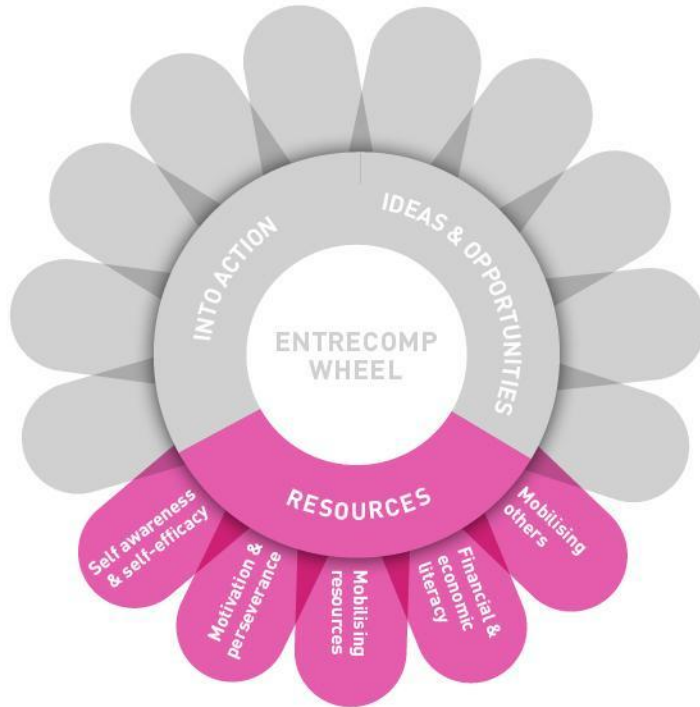

Valuing ideas

make the most of ideas and opportunities

Ethical & sustainable thinking

assess the consequences and impact of ideas, opportunities and actions

Resources

Which resources do you have to transform your ideas into action?

Competence

Hint

Self awareness & self-efficacy

Mobilising others

inspire, enthuse and get other on board

Into Action

Which competences do you bring with you to become active?

| Competence | Hint |
|--|---|
| Taking the initiative | go for it |
| Planning & management | prioritise, organise and follow up |
| Coping with uncertainty, ambiguity & risk | make decisions dealing with uncertainty, ambiguity and risk |
| Working with others | team up, collaborate and network |
| Learning through experience | learn by doing |

The wheel can also help you to

...

- map your own entrepreneurial competences
- assess and develop your entrepreneurial skills
- identify individual strengths and weaknesses
- build your entrepreneurial team

My innovative skills

My innovative skills

Based on what you just learned, think about the different entrepreneurial competences according to the EntreComp Wheel.

- a) Which skills do you already have? Which of them are the most fun for you? **Pick 2.**
- b) Which skills do you especially use in your research work? **Pick 2.**
- c) Which skills would you like to develop (more)? **Pick 2.**

How it works ...

Solo work

Stay in main room
and mute your microphone.

You can turn your camera off.

My innovative skills

**Reflect on your
entrepreneurial skillset with
the help of the questions.**

Take a look at the Google
template if you need the hints
for each competence.

Your entrepreneurial superpower

Share with a partner

Based on what you just reflected on, ...

... share your thoughts around your own entrepreneurial skillset with a partner:

- One after the other: Listen carefully and find the one »entrepreneurial superpower« of your partner.
- Talk about one skill that you would like to develop (further).
Together brainstorm ideas how you could do that.

How it works ...
